Dear Mr. Haddock:

**RE: WASTE ROCK DISPOSAL SITE EXPANSION**

Attached are DOGM Forms C1 and C2, together with three copies of the necessary permit information to modify our permit for the Waste Rock Disposal Site expansion.

We have included a new bonding calculation, which shows that our current \$3.2 million bond is still adequate, and still has excess bonding to cover future projects.

We would appreciate an early review as we would like to start the construction work on this project in October, 1993.

If you require any additional information, please contact Keith Zobell.

Sincerely,

Ken Payne  
Vice President/General Manager
